Thank you for booking your course with us. Here we provide a short outline of how to find us, what to wear and what to expect.

PREPARATION

On the first day you will be asked to do a simple 1 minute introduction to yourself to the camera. This should be a; who, what, why and where type of piece about yourself. For example, who are you (name, where you are from), what you do normally in the day, why you have come on the course. You can finish the piece off by describing something that you are interested in, this can be an unusual hobby or pastime.

Before the course, have a think about what you will say, we will chat about it on the day. You do not have to write a long script, this is a short introduction and should not last over 1 minute. Please bring a pen and notepad with you.

HOW & WHERE TO FIND US

Due to ongoing construction works at Dockside we have temporarily relocated to a Studio at the Queensland Multicultural Centre, 102 Main Street, Kangaroo Point, Brisbane. This is under the south end of the Story Bridge. Parking is available on site and Pay & Display Parking is available on the street.

ON THE DAY

When you arrive, please use the main entrance and proceed by stairs or lift to level 1 and look for the TV Training Academy sign.

The course will start at 10am, prompt and run to about 5.30pm. Please ensure that you arrive in good time as a courtesy to others.

Following initial introductions your course curriculum shall be outlined. During the day, you will learn the basics of TV Presenting, including the mental approach to presenting as well as auto cue, scripting, green screen work and co presenting. We will film several pieces to the camera during the first day.

WHAT TO WEAR

As we shall be filming 3 to 4 pieces to camera during the first day please bring 3x professional/smart changes of clothes (EG it could be a blouse, suit shirt (with or without tie), jacket & casual shirt). This is so that you do not look the same in each of the 3 filming pieces.

As we use the Green Screen, Please **DO NOT** wear green, as it will disappear using the green screen technology. Also please try and avoid Stripes or Patterns as these cause noise (clash) with the technology while filming.

REFRESHMENTS

There is a coffee shop adjacent to the QMC to get some lunch and coffee while you are at the studio.

We look forward to seeing you and hope that you have a fun day. If you have any problems on the day getting to the Studio, please call us on 1300 781 739.

Please note that we have a 48 hours' notice cancellation policy and so if you give less than 48 hours' notice you cannot be re-booked on a course.

We look forward to seeing you on the day.
